Here's how The 4 Pillars of Wealth changes lives...

OLD YOU...

- ✓ Never enough cash for the lifestyle you desire
- ✓ Life choices always restricted by income
- ✓ Uncertain financial future - decisions not your own
- ✓ Can't invest because don't have cash
- ✓ Doing work that you have to do
- ✓ Stuck with a salary that your boss decides
- ✓ No job security: the next downturn could end your job
- ✓ Huge portion of your week spent at work
- ✓ Not knowing how to create passive, increasing income

...NEW YOU

- ✓ Plenty of excess cash - and it's always growing
- ✓ Income expands to meet the choices you make
- ✓ Secure finances based on your plan for your future
- ✓ Using employee status to start small then grow big
- ✓ Doing work you want to do
- ✓ Setting financial targets that you decide
- ✓ Ultimate security: passive income exceeds your total expenses
- ✓ Huge portion of your week doing what you want
- ✓ Having a clear roadmap to ongoing passive wealth

Here's what's inside:

- ✓ **Pillar #1 - Where Am I Now?**... Understand your Financial KPIs and measure your credit worthiness using the tools in this course. This is an important step to improve your credit score and financing eligibility to attract the necessary capital to fund your investments.
- ✓ **Pillar #2 - Why Am I There?**... Overcome your limiting beliefs that are making you stand in your own way to Financial Success. Develop a winning mindset and become a force to be reckoned with.
- ✓ **Pillar #3 - Where Do I Want To Be?**... Follow a step by step guide to come up with your own financial objectives for financial security, financial comfort, and financial independence.
- ✓ **Pillar #4 - How To Get There?**... Create your rat race exit plan that's made according to your own current state of finances and your own objectives. You'll determine the investment vehicles that are the best fit for your objectives... and that will pay you new streams of income and grow your wealth.
- ✓ **Bonus 1 - Templates & Worksheets**... to put it all into practice for your own situation.
- ✓ **Bonus 2 - Strategy Session**... with a H.J. Chammas to answer all your questions and validate your plan.

What People Are Saying About The Four Pillars of Wealth Course

Piaras Mac Éinrí
Cork, Ireland

No fluff guide using sound investing principles. The 4 Pillars of Wealth sets out clearly and concisely how to achieve financial freedom before leaving your day job.

Shannon G
USA

HJ Chammas walks you through the four pillars you need in order to set yourself on the path to financial freedom. If you're looking for a guide to help you decide how to start down the path of financial freedom, then you should check out this program.

Grady Harp
USA

Chammas offers solid steps for passive income that are so reasonable they seem applicable to everyone who works as an employee at present and dreams of not having to.

Dr. Joseph S. Maresca
CPA, CISA (NY, USA)

An excellent primer on how to build income beyond earnings from a 9-5 job.
